

Five Star Feline Annual : \$99.95

The Annual Visit to our office is not just about vaccine updates, it's about preventative care. We strive to provide the highest level of care possible for your pet, to promote overall wellness. Listed below are requirements and recommendations for the annual visit.

Allow us to give you and your pet the "star" treatment!

STANDARD ANNUAL FEES:

Full Body Exam

Our doctors will perform a full comprehensive exam, from the tip of the nose to the tip of the tail.

*an exam is required for vaccinations

Intestinal Parasite Screening

Our stool samples are shipped overnight to our outside laboratory, IDEXX Laboratories. They have the capability to detect 70% more than we can with an in-house test.

Rabies Vaccine (3 year vaccine)

Vaccination for Rabies is legally required by the State of Louisiana once every 3 years. Although Rabies is not as common as it was years ago, we want our stars to remain protected!

HCP Vaccine (3 year vaccine)

This vaccination protects against four diseases, including Rhinotracheitis, Calici Virus, Chlamydia, and Panleukopenia.

Leukemia Vaccine (2 year vaccine)

Leukemia is an immune deficiency disease, caused by a virus. It can be spread from mother to kitten, and by simple contact such as nose-to-nose or by sharing a water bowl with an infected cat. This vaccine is good for 2 years, following kitten series and one year booster.

Total for Standard Fees: \$99.95

Parasite Prevention:

Revolution:

Single Dose \$19.28/\$19.78* ()

6 month supply \$115.71/\$118.65* ()

Revolution is applied topically and will protect your cat from heartworms, fleas, ear mites, hookworms, and roundworms for 30 days.

*Cats over 15 pounds

Bravecto:

Single Dose / 12 weeks protection \$50.99 ()

Feline Bravecto is applied topically once every 12 weeks to prevent fleas and ticks.

OPTIONAL SERVICES

(check if yes)

FelV/FIV Test *Highly Recommended \$45.95 ()

This simple blood test can be done in-house, and it takes about 10 minutes. The test checks for Feline AIDS and Leukemia, two common and extremely contagious feline diseases. We recommend having this test done yearly, especially if your cat is either fully outdoors or an outdoor/indoor cat. *Required for boarding

Pawdicure (nail trim)

\$12.00 ()

Our trained staff will clip your cat's nails and can show you the proper way to trim nails at home if you wish to learn.

Bag of Hill's Veterinary Diet

ask for price ()

Hill's Veterinary Diets are the top-of-the-line when it comes to providing optimal nutrition for your pet. Ask our staff what food is best for your cat!

Home Again Microchip

\$50.00 ()

A Home Again Microchip is the best way to provide permanent identification for your pet. The chip is inserted via syringe, and each chip has its own unique number to identify your pet. If your pet ever wonders off and is taken to either a shelter or veterinary clinic, your pet's number will show up on the microchip scanner and we can much more easily get your pet back home again. This price also includes the first year of enrollment through Home Again.
