"Star"ting Out

Kitten visits are a very important time for you and your new kitten. You are bonding, getting to know each other, and you want nothing but the best for your little star. Let us help you start your kitten out right, with our kitten visit regimen.

KITTEN VISIT: \$65.95

Full Body Exam

Our doctors will perform a full comprehensive exam, from the tip of the nose to the tip of the tail.

*an exam is required for vaccinations

Intestinal Parasite Screening

Our stool samples are shipped overnight to our outside laboratory, IDEXX Laboratories. They have the capability to detect 70% more than we can with an in-house test.

Update of Core Vaccines due at the time of visit:

- ☐ Rabies Vaccine
- ☐ HCP Vaccine
- ☐ Leukemia Vaccine

Automatic enrollment into the Loyalty Program to earn coins to use towards future services. You may opt out of this service at any time.

OPTIONAL SERVICES:

FelV/FIV Test ****Highly Recommended** \$45.95 ()

This simple blood test can be done in-house, and it takes about 10 minutes. The test checks for Feline AIDS and Leukemia, two common and extremely contagious feline diseases. We recommend having this test done yearly, especially if your cat is either fully outdoors or an outdoor/indoor cat. *required for boarding

Pawdicure (nail trim) \$12.00 ()

Our trained staff will clip your kitten's nails and can show you the proper way to trim nails at home if you wish to learn.

Bag of Hill's Food ask for price ()

Hill's Veterinary Diets are the top-of-the-line when it comes to providing optimal nutrition for your pet. Ask our staff what food is best for your kitten!

Home Again Microchip \$50.00 ()

A Home Again Microchip is the best way to provide permanent identification for your pet. The chip is inserted via syringe, and each chip has its own unique number to identify your pet. If your pet ever wonders off and is taken to either a shelter or veterinary clinic, your pet's number will show up on the microchip scanner and we can much more easily get your pet back home again. This price also includes the first year of enrollment through Home Again.

*can be done more comfortably during spay or neuter

PARASITE PREVENTION:

Revolution for Kittens Single Dose \$19.00 ()

Revolution is applied topically and will protect your kitten from heartworms, fleas, ear mites, hookworms, and roundworms for 30 days.

*price for kittens under 5 pounds
