

An AAHA Accredited Veterinary Hospital

"Star"ting Out

Puppy visits are a very important time for you and your new puppy. You are bonding, getting to know one another, and you want nothing but the best for your furry family. Puppies generally require 4 visits to the Veterinarian; 6, 9, 12 and 16 weeks of age. Like a pediatrician we monitor your puppies development at each visit. Let us help you start your puppy out right and guide you on the path to promoting lifelong wellness.

PUPPY VISIT: \$65.95

Full Body Exam

Our doctors will perform a full comprehensive exam, from the tip of the nose to the tip of the tail.

*an exam is required for vaccinations

Intestinal Parasite Screening

Our stool samples are shipped overnight to our outside laboratory, IDEXX Laboratories. They have the capability to detect 70% more than we can with an in-house test.

Update of Core Vaccines due at time of visit:

DAPP Vaccine

Leptospirosis Vaccine

Bordetella Vaccine

Rabies Vaccine

Automatic enrollment into Loyalty Program to earn Care Coins to use towards future services. You may opt out of this Loyalty service at any time.

OPTIONAL SERVICES:

Bivalent Influenza or

Flu Vaccine *Highly recommended **\$35.95 ()**

The Bivalent Canine Influenza Vaccine protects against two strains of Canine Flu – H3N2 and H3N8. *This vaccine is required for boarding and bathing, but otherwise optional.

Pawdicure (nail trim)

\$12.00 ()

Our trained staff will clip your puppy's nails and can show you the proper way to trim nails at home if you wish to learn.

Anal Gland Expression

\$15.00 ()

Anal glands are small sacs just inside the anus. They fill with a putrid liquid that if not expressed, can cause an abscess. Some dogs need their glands expressed more often than others.

Ear Clean

\$15.00 ()

Some puppies, especially those with long floppy ears, will retain dirt and debris in their ears. Some puppies have hair that grows in their ear canals. Our staff can remove excessive ear hair, and also clean the ears with a safe, non-abrasive ear cleaner.

HydroSurge Bath

\$20.00 – 35.00 ()

Let us bathe your puppy with our HydroSurge bathing system, which dispenses a moisturizing shampoo along with water and oxygen to ensure the cleanest clean, all the way to the skin! *price varies by weight

Bag of Hill's Food

ask for price ()

Hill's Veterinary Diets are the top-of-the-line when it comes to providing optimal nutrition for your pet. Ask our staff what food is best for your puppy!

Home Again Microchip

\$50.00 ()

A Home Again Microchip is the best way to provide permanent identification for your pet. The chip is inserted via syringe, and each chip has its own unique number to identify your pet. Our price also includes the first year of enrollment through HomeAgain. *can be done more comfortably at time of spay or neuter

Heartworm/Flea Prevention:

Trifexis () \$17.33 - \$19.33

Chewable tablet to prevent Heartworms, kill & prevent fleas, treat and control intestinal parasites.

Revolution () \$19.00 *puppies under 5 lbs

Monthly topical recommended as flea prevention, controls ear mites, hookworms and roundworms. Given as Heartworm prevention for small puppies.
